Boost your business with local advertising

Now mags deliver all the news and advertisements from your area. That's Kendal, Ulverston and the Grange/Cartmel peninsula.

It's about the clubs you go to, the schools your children attend, your church, high street and your neighbourhood. The advertisers are the local firms and trades people who are based here and employ local people.

It's a great way to spread the word and to find out what's going on.

Advertise in a place that is seen in every single home in our area and read from cover to cover.
